Dear Kimiko:

Congratulations!

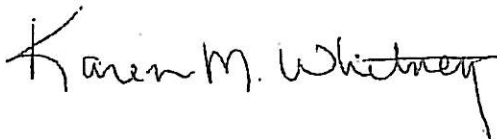

You have been recognized by the Division of Student Life for your commitment to promoting student life at IUPUI. We would like to commemorate this occasion by presenting you with the Division of Student Life Community Builder Award.

Here is what Katie Robinson had to say about how you promote student life at IUPUI:

Kimiko Raines is the service representative I contact when any of our OfficeWorks furniture is in need of repair. She is polite, timely, and always follows up! There are vendors that I dread to work with, but Kimiko is definitely not one of them. I can honestly say she makes my job easier and the furniture in the Campus Center is being well maintained because of her service.

We hope that you will display this brick proudly in your office. Thank you for your commitment to students and for making IUPUI a better place!

Go Jags!

Karen M. Whitney, Ph.D.
Vice Chancellor for Student Life and Dean of Students
